

Senior Honors Thesis Application
Department of Anthropology

Name

Date

Please write a 500 word abstract of your proposal in the box above

Attach a 3-5 page draft of your thesis proposal, along with a draft bibliography. Your proposal should explain the focus of the research you will do, the core questions you are asking, why the topic is anthropologically interesting/relevant, and how you will go about collecting the data you need.

Signature of primary thesis advisor

Signature of second reader

This form, along with the draft proposal, must be submitted to the chair of the anthropology no later than the Friday after the first class of the fall semester. We strongly encourage students to begin the thesis process the spring of their junior year.
