

## Majors Declared as of October 1

The tables on these pages represent a "snapshot" of majors and minors declared by all retained Colby students ("continuing" includes those enrolled full-time, as well as those studying off-campus or on temporary leave; excludes part-time and course auditors) on October 1. These individual students are counted for any fall semester (as of October 1) that they were a declared major or minor. Double majors and double minors are counted in both fields of study (duplicated). Those registered as "undeclared" majors not listed.

Majors that do not appear in this table had no majors for the most recent 5-year period.

Percents represent declared majors as a proportion of all declared majors (not students) in that year (duplicated).
