THE COURSE
The Maine Orthopaedic Review is a 12-day course that starts with 5 ½ days of lectures and 6 ½ days of self-paced computer-based instruction.

ACCOMMODATIONS
Accommodations for registrants and their families are available in the campus residence halls in private rooms. Because they are college residence halls, private rooms do not include private baths. There are double and single rooms. Maid service, pillows, linen, blankets and towels are provided. Rooms are assigned on the basis of the date we receive a housing application and deposit; therefore, early registration is suggested. If you have a disability, please advise us on your registration.

FEES
The fee includes lodging, all meals (dinner June 17 thru lunch June 29), a lobster bake and use of campus amenities. A single room for the duration of the course is $990; Double room (shared with another registrant), is $890 per person. For less than 10 nights, the fee is $99 per night. We do offer a weekly rate of $500 (up to 6 nights). A $100 deposit is required to secure your room. Participants will be billed a fee of $50 for lost room keys.
