

## Continuous Classics

### Cakes

Cakes aren't just for birthdays. Any time you want to send your student a special occasion cake is the right time! We'll bake up either a 2-layer round or a half sheet cake in chocolate or vanilla with any inscription you wish.

### Cookies

If your student doesn't like cake, what about switching it up with an **inscription cookie**. This chocolate chip cookie is 10 inches of goodness and has more than enough room for a special message from you.

For any-day occasions, order them a dozen of their very own Chunky Chocolate Chip or Oatmeal Raisin Cookies. Our bakers make them daily so they'll have that fresh-from-the-oven goodness!

### Brownies

Our brownies are the very definition of "chocolate-y-ness"! This impressive display is a literal mountain of brownies. One dozen each—turtle sundae, super fudge, and cream cheese marble. There is definitely something for everyone, and more than enough to share with friends.

### Baskets

#### Fruit Basket

For the health-conscience student, you may want to consider our wicker basket overflowing with an assortment of whole in-season fruit, assorted bottled fruit juices, and granola bars.

#### On the Mend...

What could be worse than being away from home and feeling rotten? We think some soup might help. We include a generously-proportioned "Get Well Soon" soup mug filled with a variety of cup-a-soup mixes, crackers, Kleenex, and cough drops to help them feel better faster.

#### Just-for-You Basket

Feel free to mix and match any of the items listed on the order form. We will put them together in a special basket geared to the season in which it will be delivered. The basic basket charge includes putting the items of your choice together in a basket with a fun gift item geared toward the season.

We have also listed suggestions that include our party platters so that you may order your student a party to eat in or take with them on the go. May we suggest...

#### Continental Breakfast Basket

Start with tea or hot chocolate, add some juice and a dozen muffins and you've got a lazy Sunday morning.

#### Breakfast in Bed

Have a student who never seems to be able to get up and get to the dining hall for a nice hot breakfast? Send them their own breakfast bowl, filled with Whole Fresh Fruit, English muffins, and cereal bars to have on hand as needed.

#### Study Session with Friends

What about a study platter of Veggies & Dip, Cheese & Crackers or Artichoke Dip with Tortilla Chips to keep the brain cells firing?

#### Game Day

Getting together to watch a game? What about Hummus and Baked Pita Chip Platter, Salsa and Tortilla Chips or 7-Layer Dip? Or, put together a variety of individual snacks.

You get the idea. This program gives you the option to plan what you want for your student. If you have an idea that isn't listed, just give us a call and we'll make it happen.

Visit our web site at  
[www.colby.edu/dining.serv](http://www.colby.edu/dining.serv)  
where you will find  
the Dining Services Gifts link  
at the left of the page for  
full ordering information  
and prices.

Dining Services offers families this Care Package Program for those special times when--you want to--but you just can't be there. This program has proven to be extremely popular with the families of our students who use it to send birthday greetings, special get well wishes, congratulations, or encouragement.

Our program has expanded this year to include other food options and party platters so that you can help arrange a brunch or small get together with friends to commemorate a special day. All items are picked up by students so if you need help getting in contact with a roommate or other friends, just let us know and we can help with email notifications.

The newest portion of this program is the *Just for You Basket* which lets you create a gift basket of food items personalized to your student's taste buds.

For any of our selections, feel free to send along a special card for us to include with your order. Or, just add a sentiment to the bottom of your order form which we'll put on our own enclosure card.

We hope you enjoy our program. We've kept the order process simple. All you need to do is fill out the enclosed order card and send it to us with your check. We will take care of the rest!
