COLBY COLLEGE BICENTENNIAL: 1813-2013

Greetings,

During this academic year bicentennial gatherings have taken place across the country, beginning in Waterville on October 19, 2012, and continuing in Boston, San Francisco, Seattle and other cities. Now, finally, the festivities have come to us! On Wednesday, April 3, join fellow alumni and friends of the College at a special New York City event celebrating Colby's first 200 years. President **Bro Adams**, College Historian **Earl Smith**, and Dean of Students, Emerita **Janice Kassman** will be attending. A short version of *In Their Footsteps*, the bicentennial film, will be shown.

Photos from bicentennial gatherings across the country are [available online](#), as well as Bro's February 27 [convocation address](#) in Lorimer Chapel. If you can't make it on April 3, be sure to check back for photo highlights.

I hope you will join us at the [Grand Hyatt New York](#) on April 3 to mark this special moment in Colby's history.

Warm regards,

Ben Herbst '08
