The Send-a-Sweet Program was designed for those special times when--you want to--but you just can’t be there. This program has proven to be extremely popular with the families of our students who use it to send birthday greetings, special get well wishes, congratulations, or encouragement.

All items are picked up by students so if you need help getting in contact with a roommate or other friends, just let us know and we can help with email notifications.

For any of our selections, feel free to send along a special card for us to include with your order. Or, just add a sentiment to the bottom of your order form which we’ll put on our own enclosure card.

Cakes ($11.95-$18.95) aren’t just for birthdays. Any time you want to send your student a special occasion cake is the right time. Choose a 2-layer round or a half sheet cake in chocolate or vanilla and choose an inscription.

Inscription Cookie ($6.95) If your student doesn’t like cake, what about switching it up with an inscription cookie. Ten inches of chocolate chip goodness with more than enough room for a special message from you.

Chocolate Chip Cookies ($4.95) For everyday occasions, order up a dozen Chunky Chocolate Chip Cookies. Our bakers make them daily so they’ll have that fresh-from-the-oven goodness!

Brownies ($15.95) This impressive display is a literal mountain of brownies. One dozen each—turtle sundae, super fudge, and cream cheese marble. Something for everyone and enough to share with friends

Seasonal Healthy Fruit Basket ($30) For the health-conscience student, you may want to consider our wicker basket overflowing with an assortment of whole, in-season fruit, assorted bottled fruit juices, and granola bars.

On the Mend ($18) This “basket” is actually a generously-sized “Get Well Soon” mug filled with a variety of cup-a-soup mixes, crackers, Kleenex, and cough drops to help them feel better faster.

TO PLACE AN ORDER:

Visit our web site at:
