Cigna’s retail

PHARMACY DIRECTORY

for 90-day prescriptions

Participating pharmacies in the United States, the U.S. Virgin Islands, Puerto Rico and Guam

Offered by: Connecticut General Life Insurance Company or Cigna Health and Life Insurance Company.
The following is a listing by state of the retail pharmacy chains that participate in Cigna’s 90-day prescription supply retail pharmacy network. In addition to the chains listed, Cigna has contracted with a number of independent retail pharmacies in each state. For your convenience, approximately 55,000 retail pharmacies are participating in this 90-day retail pharmacy network nationally, and Cigna’s efforts to expand this network are ongoing.

All participating pharmacies in Cigna’s national pharmacy network of approximately 61,000 pharmacies will continue to fill 30-day supplies.

Please review your plan document to determine if your plan includes the option to fill a 90-day prescription supply at a retail pharmacy location listed in this directory.

In addition, your employer may provide you with access to 90-day prescription supplies at Cigna Home Delivery Pharmacy™. Using Cigna Home Delivery Pharmacy is convenient and may also provide additional savings. Refer to your plan materials for information. Plus, you can call 1.800.835.3784, or visit us at myCigna.com.

Questions

If you would like to know if your local independent pharmacy participates in the 90-day prescription supply network, or if you have questions about the 90-day prescription supply benefit, call the toll-free customer service number on your ID card.
