The programs and universities below may be of particular interest to STS majors.

Not all programs are Colby approved. Some may require a petition or a language pre-requisite.

Most universities abroad will have some course offerings with some relevance to science, technology and society, based in science or social science departments, depending on your interest.

EXAMPLES OF UNIVERSITY-BASED PROGRAMS

Most universities in the United Kingdom, Ireland, Australia and New Zealand

EXAMPLES OF FIELD-BASED AND STUDY-CENTER-BASED PROGRAMS

Worldwide: Many SIT programs

Denmark: DIS Science & the Environment program
         DIS Sustainability in Europe program

U.S.A.: Colby at Bigelow: Changing Oceans
       SEA Semester programs
       Semester in Environmental Science - Woods Hole
       Dartmouth University Dual Degree Program in Engineering

Not all courses taken in these programs/universities will qualify for credit towards the STS major. Faculty approval is needed for each course.
