We at Northeast Limousines want to be your transportation solution! We are a locally owned and operated company with a fleet of seven vehicles and additional access to SUVs for trips during the winter months. Our vehicles can serve one to as many as ten passengers at a given time. We're happy to accommodate all your transportation needs, including jetport runs, nights out on the town, appointments and more.

Why Northeast Limousine?

- We offer the best rates in Maine
- We don't charge per person, always per trip
- We're locally owned and operated
- We service all of New England
- We have the state's only Corporate-style Town Cars
- We offer special rates for students and family members

Our Colby Rates (All Prices Include 20% Gratuity):

- Portland or Bangor Jetport: \$160 Credit Card/\$120 Cash (up to 6 people)
- Augusta Airport or Bus station: \$75 Credit Card/\$60 Cash (up to 6 people)
- Logan Airport One way \$400 round trip \$650
- Night Out in Waterville or Augusta: \$200 (up to 3 hours)
- Night Out in Portland: \$350 (up to 6 hours)

Already this year three students miss doctor appointments due to the unreliable taxis in Waterville. We will get your student to and from the doctors or physical therapy. Contact us with the appointment date and we will use the voucher system offer by Colby for payment.

(The voucher will show up on the student semester bill)

We take pride in serving the students and faculty of Colby College. We hope you'll save our number and keep us in mind!

Sincerely,
Ron LeClair
