

FR 125 // Test de phonétique 1

This assignment has to be completed in the Language Resource Center (Lovejoy 404-406). Help will be provided at the lab if needed. You will use one of the computers to record a number of sentences. I encourage you to do the following before the recording:

- Repeat each sentence several times.
- Work on your pronunciation and intonation.
- Try to produce the sentences as authentically as possible.
- Once you feel that you are ready to do the recording, be sure that the computer's microphone is well adjusted. If I cannot hear you on the recording, you may not be able to rerecord and resend your test!
- Be sure to pause if you need to between sentences. If you make a mistake, repeat the sentence in its entirety.
- Please record all sentences on one recording (mp4 format) and email me (Adrianna.Paliyenko@colby.edu) the recording by 5pm, Friday 09/16.
