

## **Task Force on Review of All-College Distribution Requirements**

November 8, 2017, 11:00am-12:00, Eustis 205

Attending: Margaret McFadden, Russ Johnson, Alicia Ellis, Stephanie Taylor, Chris Soto, Laura Saltz

### **Summary**

We reviewed the feedback received at the May 2017 faculty retreat. This resulted in a wide-ranging discussion about different ways that we might develop a set of requirements built around Modes of Inquiry. The MOI approach is set of tools for understanding the world, adapting to change, analyzing problems. One possible alternative to the six MOI approach presented at the retreat might be to have a set of four core courses (taken during the first year), each addressing an MOI.
