

## **Task Force on Review of All-College Distribution Requirements**

November 15, 2017, 9:00-10:00am, Eustis 406

### **Summary**

We continued to discuss our strategy for this academic year. To get some outside perspective it will be helpful to send some DRTF members to the February AAC&U conference on general education. We should also invite some outside speakers from similar schools who have recently revised their requirements.

Internally, we need to continue the conversation with faculty members. After the May 2017 faculty retreat, there seems to be some confusion and uncertainty. The faculty need to have more conversations and workshops to discuss the different possibilities.

A good first step would be to have a forum/workshop on general education requirements at an upcoming Chairs and Directors meeting.
