Summary

We finalized plans for the upcoming workshops on portfolios (November 29 & 30). Carol Hurney and Adam Howard (together with Adrian Blevins) will be presenting examples of how portfolios can be use at the course, departmental, or institutional level. About 20 people have signed up for the workshops.

We will also have a meeting with the Student Government Association on Sunday evening (December 2) to present the work of the task force so far and to receive feedback from student leaders.

We will hold a public forum on the Core Capacities on December 11 at 1:00 pm (which is during the reading period). A planning committee composed of Bevin, Carol, Russ, and Jonathan will meet on December 5 to finalize the structure of the forum.
