

Alfond Residence Complex Application

**The Alfond Residence Complex Application is due NO LATER THAN
4:00pm EST on Monday, March 12, 2018, electronically to
housing@colby.edu**

PROCESS: In an effort to enhance the Alfond Residence Complex for the upcoming academic year, the Office of Campus Life has designed an application for admittance to the Alfond Residence Complex selection for 2018-2019. Groups of students interested in living in the Alfond Residence Complex must submit one application PER GROUP. Multiple applications will not be considered. In the event that multiple applications are submitted, only the first will be considered. The application serves as admittance into the Alfond Residence Complex lottery system. Only interested groups who submit COMPLETE applications will be considered eligible for the Alfond Residence Complex selection process.

ELIGIBILITY: All seniors of good academic and social standing are eligible to participate in the Alfond Residence Complex application process once. If you previously participated in the process, you are considered ineligible. As is mentioned in the Alfond Agreement, the senior class is determined by the Registrar, and consists of all 2018J, 2019 and 2020J graduates. Eligible seniors may participate in ONE application for the Alfond Residence Complex. In the event that the same person is listed on multiple applications, all the applications will be considered ineligible for the Alfond Residence Complex selection and be re-instated in the regular housing selection.

Each apartment group is considered one unit within the Alfond Residence Complex. If one (or more) of the members of the apartment group decide to opt for another housing option, all of the members of the apartment group will be reinstated in the regular housing selection process. If one (or more) of the members of the apartment group is currently studying abroad, then the remaining members of the apartment group may act as proxies for the student(s) studying abroad.

SGA Passed Alford Residency Forfeit Policy

I. Any first-year, sophomore, or junior who commits destructive residence hall vandalism forfeits their right to live in the Harold and Bibby Alford Residence Complex (subsequently referred to as Alford) senior year, and is subject to the already existing disciplinary framework.

II. An exception is made if the student turns himself or herself in to a Community Advisor (C.A.) or representative of Campus Life by 5pm on the day after the incident. In this case, the student will still be eligible to live in Alford, but will still be subject to the already existing disciplinary framework.

III. Students may appeal their exclusion from the Alford room draw. This appeal must occur during the student's junior year, before March 1, for their senior year draw.

IV. If a student commits destructive residence hall vandalism during their junior year, after receiving an Alford apartment for his or her senior year, he or she and their roommates will forfeit that apartment.

V. As a part of the disciplinary process, a student must be informed that they have forfeited their privilege to be in the Alford room draw.

2. Residence hall vandalism continues to be a challenge in Alfond Apts. How will you work to ensure that Alfond Apt. community standards and expectations (including elimination of vandalism) are upheld?

3. Because the Alford Apartment Complex is one large community, it is important that each individual room encourage values that support Colby's Affirmation. What will you do throughout the year to support the Affirmation in your own room?
