I’M GOING ABROAD?? WHAT DO I DO NOW?

A TIMELINE FOR YOUR GLOBAL ENTRY SEMESTER (GES) PREPARATIONS

CONGRATULATIONS! You’ve accepted Colby College’s offer to study abroad your first semester. Now what?? The timeline below will show you, by month, important information and/or tasks that will be sent to you and must be completed by the requested dates given in the mailings.

This information will be sent to you (not to your parents) so it is your responsibility to be sure to read your emails, check your mailbox and complete forms on time. You are the one traveling and studying in Dijon or Salamanca and you should be aware of the information and procedures needed to get you there.

The information below is shown, in order of priority, to help you prepare and look ahead to your study abroad experience. As eager as you may be to accomplish some things ahead of time, there is an order in which some things must be done. Please follow below and do not rush ahead.

If you have questions over the next few months, please send me, Sue Forbes, an email at smforbes@colby.edu or you may ask your questions through the Facebook group for your group (Dijon or Salamanca). Thank you! Sue

APRIL

1. Do you have a valid passport?? You must have a valid passport to study abroad (it must be valid through June 30, 2017). If you do not have a passport, apply for one TODAY. Do NOT put this off. If you have a passport but it expires before June 2017, apply for a renewal TODAY. (YES! That is one year from now….passports must be valid for 6 months past your return date, which will be in December) http://travel.state.gov/passport/passport_1738.html

2. Alternate (non-school) email address? Please send your alternate email address (other than your high school email) to me, smforbes@colby.edu, as soon as possible. Make sure you check this email address frequently to be sure you do not miss any important information. Emails will be sent to this address until your Colby email has been set up. You should, forward these emails to your parents for their information but it is your responsibility to complete the required forms and reply to them on time.

3. Join the Facebook Group for your group. This will have updates and reminders throughout the summer. Please invite your parents (if they have FB) to join also. This is a closed group — only students (GES) and their parent/guardian will be allowed to join.

Please complete these forms, following the instructions in the email, and return, via email, as soon as you receive them but no later than the date given in the email (usually May 15). Also, it is very important that you give us your full, actual name on all forms. Where we ask for First, Middle, & Last name Please put your actual First name, Middle name and Last name — if you prefer to be called another name or to go by your middle name, please make a note on the form BUT the name on the forms need to match your legal name (the name that is on your passport).

2. Group flight information & travel reply form. This will be sent by email to the email address we have on file for you. Please review this information and complete the travel reply form as soon as possible but no later than the date given in the email (REVISED date: early June). This is necessary for us to hold a seat for you on the group flights.

3. Activate your Colby email address as soon as you receive the information to do so, please do not delay. You will start receiving lots of information and much of it will be sent to your Colby accounts so the sooner you activate and start using this account, the better. Please notify me, Sue Forbes, when you have done this. Send me an email FROM your Colby email address to smforbes@colby.edu.

4. Welcome email & request for information/copies will be emailed and should be opened immediately. This email contains:
• A request for a copy of your passport (must be valid through June 30 of next year) and 2 passport-sized photos (the photos must be real photos—scans and copies are not accepted). NOTE: If you are having photos made, please have at least 6 made — send 4 to OCS and hold the other 2 to use later for your visa application.
• A request for a letter from your health insurance company stating that you have coverage while abroad. This needs to come in the form of a letter from your health insurance company, including your policy number, coverage limitations and a statement that you are covered while abroad. Please check now with your health insurance company to obtain this documentation early. If you discover that your current insurance company does not provide international coverage, your first step should be to inquire about a rider for your policy. Some consulates also require such a letter so please keep the original letter and forward a copy to me (scanned copies are fine).

JUNE

1. First packet will arrive in your home mailbox from Off-Campus Study in early June. This packet will contain information, instructions, and forms you will need for your visa application. KEEP IN A SAFE PLACE & DO NOT LOSE! The letters included are your original letters (and copies) you will need along with a list of the other students going with you and your pre-departure handbook. It is EXTREMELY IMPORTANT that you open this packet when you receive it, look over the letters carefully and make sure your name is spelled correctly. If not, let me (Sue Forbes) know as soon as possible so I can get the letter(s) corrected. Read the information and start the process, do not delay. For Dijon: please note that the Colby letter included with this mailing is the letter you will need for both your visa appointment and CampusFrance—be sure to keep the original for the visa appointment & a copy should go (as the requested acceptance letter) to CampusFrance (the letter is signed by Nancy Downey and dated June 1).

2. Make sure your Colby emails are activated and check this account daily. Information will be sent to your Colby email address not just from OCS (Sue Forbes) but other departments on Campus.

3. REVIEW the website of the Consulate you will be going to. Be sure you have the latest information on what you need for your visa appointment (Consulates change their requirements frequently, do NOT only go by what we sent to you but double-check the consulates website for current requirements. This is your responsibility to check and be prepared for any changes to the consulate’s requirements.

This packet will contain your first-year book (summer reading), Assumption of Risk form and a Student & Parent/Guardian Statement (both due by mid-July) and also information from LINK, COOT and iNext. The Basic iNext insurance will be purchased for all first-year students studying abroad by Colby, you do not need to purchase this. The information card enclosed with this mailing is for your information only. You will soon receive an email directly from iNext and will be ask to upload a photo to have an id card mailed to you.

2. Flight confirmation & itinerary will be emailed to you. All “tickets” are electronic so this will have your ticket number shown near your name. Be sure to print this off and bring with you to the airport. Some of you may also need to provide a copy of this when you go for your visa appointment at the consulate.

3. List of email addresses of all students going with your group will be emailed to you.
