**English Department Mission**

The Colby English and Creative Writing department fosters engagement with multiple media as objects of study and making.

We encourage students to embrace writing now.

We foster critical engagement with past literatures and cultures.

We research how the past makes the present yet also differs from it.

We support study of global Anglophone literatures and environmental / ecological understanding.

**What you will learn**

Students and faculty in English and Creative Writing become active learners engaged in

- Sustaining a reshaped literary canon
- Reading and making across genres, platforms, and media
- Integrating making and analysis
- Building community and listening across differences
- Writing with others at Colby, in Waterville, and far beyond
- Understanding how representation shapes the world
- Bring both analytical and creative skills to global histories and ecological challenges
- Finding pleasure and personal meaning in reading and writing together
