### Pre-Approval Request for Credit for Study Abroad

If you intend to satisfy IS major course requirements with a study abroad program, please fill out the following form, print it and attach it **along with a photocopy of the catalogue description of the proposed courses, including potential alternates** to your blue Off-Campus Study application form. Submit this set of papers to the “in” box outside Diamond 251. Remember that at least half of the courses taken toward the major must be taken at Colby.

Note: If you must diverge from the pre-approved courses when you arrive at your program, try to contact the program by fax (859-5229) or email ([dllabrec@colby.edu](mailto:dllabrec@colby.edu)) with a revised request. In the event this is not possible prior to registration, it is your responsibility to save course syllabi, notes, exams, and/or papers to make your case.
