

AIG Travel Assistance App

Download the App for Convenient Access to Travel Assistance Services

Help at your fingertips, fast.

With increasing travel security and health risks, navigating the world of international travel requires a new level of sophistication for effective travel risk management. AIG policy holders have access to the travel assistance mobile† app through their Apple or Android device. Whether it's prior to travel, during the trip, or after the return home, our secure, member-only assistance app provides travelers with convenient access to in-depth travel, security and health information 24/7/365.

One Touch 'Help' Button connects travelers directly to emergency travel assistance.

Assistance ID Card can be accessed via the app in the event the physical card is forgotten or lost.

Country Reports provide key information on political conditions, security issues, travel logistics, cultural factors, contact details and health advisories.

Medical Translations Tool translates medical terms and phrases into multiple languages.

Drug Brand Equivalency Tool generates drug brand names and their equivalent names for multiple countries.

***Security Awareness Training** delivers online travel safety videos and knowledge tests to be an aware, organized and prepared traveler.

You must be a registered user to access the mobile app. If you are a registered user of the travel assistance website, the same username and password will apply. See the following page for new user registration instructions.

Contact your agent, broker or AIG representative to learn more.

†Mobile app is only available on smart phone – not tablet.

*Mobile app availability and features vary by policy holder access.
