November 27, 2017, 2:00-3:00pm, Eustis 406

Attending: Bevin Engman, Chris Soto, Alicia Ellis, Keith Peterson, Dave Angelini, Stephanie Taylor, Russ Johnson, Raffael Scheck

Summary

We prepared a blueprint for a discussion of general education requirements at the December Chairs and Directors meeting.

We will start with a panel discussion. Stephanie and Chris will give an update on what we have discussed since the May 2017 faculty retreat. Russ will talk about MOIs.

Then we will have small group discussions based on the following questions:

If a student took only one course in your discipline, what would you most want them to learn?

What is the most effective way for the DRTF to get meaningful input from the faculty and to inform them of its work?
