

Task Force on Review of All-College Distribution Requirements

January 16, 2019, 11:00-12:00am, Eustis 406

Attending: Russ Johnson, Stephanie Taylor, Rob Lester, Bess Koffman, Chris Soto, Bevin Engman, Carol Hurney,

Summary

The Modes of Inquiry Working Group reported on its work to date. The task force discussed the merits of introducing a motion on Modes of Inquiry at the February faculty meeting, versus waiting until we have a clearer consensus within the group on exactly what form of MOIs we should propose. At this point, no MOI motion is yet ready for presentation to the faculty. We will continue working toward that at the next meeting.
