

## **Task Force on Review of All-College Distribution Requirements**

March 15, 2019, 2:00-3:00pm, Eustis 406

Attending: Russ Johnson, Bess Koffman, Bevin Engman, Carol Hurney, Chris Soto, Dave Angelini, Rob Lester

### **Summary**

Out of the 10 regular faculty members who serve on the task force, two needed to resign this semester, and four more will be on sabbatical leave in 2109-20. The task force will recommend to the Faculty Steering that these six members be replaced by election during Cycle II of the faculty elections.

We worked on finalizing the wording of the motion that will be presented next week at the March faculty meeting. The motion will ask for approval from the faculty for the task force to develop a revised set of general education requirements based on a Modes of Inquiry approach. The motion will be accompanied by a listing of the different approaches to general education requirements that we have considered. Each approach will be summarized, with its advantages and disadvantages explained.
