PHILOSOPHY MINOR REQUIREMENTS

To complete the minor in Philosophy, a student must take a minimum of 6 courses. These 6 courses must include at least one course that satisfies the Metaphysics and Epistemology area requirement (“M&E”); one course that satisfies the Values area requirement (“V”); and one course that covers a historical period in philosophy (designated “H”). Among these 6 courses, at least one must be at or above the 300-level; and no more than one may be at the 100-level (although both PL 151 and another 100-level course may both be counted). No course taken satisfactory/unsatisfactory can be counted in fulfillment of minor requirements, nor can any course counting for fewer than 3-credits.
