

By signing this document, I confirm that I have read, understood, and agree to observe Colby College's rules for participation in off-campus experiences and that I understand Colby's relationship to my off-campus experience ("Experience"). I have shared this Release of Liability with my parent(s) or guardian. Specifically, by signing below, I acknowledge and agree that:

Academic, Financial and Conduct:

- I intend to participate in this Experience and for the period indicated above for which I have received approval from Colby College, as set forth in my application to Colby.
- The Experience is not sponsored by Colby College, and Colby has no control over the Experience. Colby has no control or oversight of matters pertaining to student health, safety, and security. Any such control or oversight shall be the responsibility of the Experience supervisor or host institution.
- I have read and understand the Academic Requirements, Procedures for Course Approval & Policies on Transfer of Off Campus Study Credit.
- I understand that I may not receive academic credit for the Experience for which I have applied. These circumstances include, but are not limited to cancellation of the Experience, failure to complete courses and/or exams, or my dismissal or voluntary withdrawal from participation in the Experience.
- Financial arrangements, including travel, tuition, room, board, costs and fees, are between me and the Experience representative(s) from the supervising organization that I am participating in, and Colby College has no involvement in or responsibility for those financial arrangements.
- I must be in good disciplinary and academic standing and must have successfully completed all Experience pre-requisites by the time of departure or approval may be rescinded.
- I will follow safety guidelines if provided during my experience at all times.
- I take personal responsibility for informing myself of risks in locations in which I might study or travel.
- I understand that alcohol consumption or drug use may jeopardize my health and physical safety, and may result in dismissal from participation in this Experience for violation of any potential alcohol and drug policy.
- I will not illegally buy, sell, or use drugs at any time.
- I will participate in any and all classes and/or scheduled activities if required unless I am ill or prevented from attending for causes beyond my control.
- I understand that while I am abroad, I am subject to the laws of the country I am in, and those laws may be different from the laws of my home country.
- I will abide by dress and cultural standards suitable to the destinations visited.
- Any violation of academic or disciplinary policies will be disclosed to Colby and may affect my Colby record.
- As a Colby student having an off-campus experience, I am required to comply with the Colby College Student Handbook and other policies as applicable.

- I grant Colby permission to reproduce in their campus yearbooks, catalogs or other advertising or promotional materials any photographs, movies, or sound recordings of me taken while I am participating in the Experience, and also any written statements I may make concerning the Experience.

Travel & Transportation:

- I am aware that Colby College prohibits travel to and study in countries and regions classified by the U.S. Department of State as Level 4 as well as Do Not Travel zones within countries classified as Levels 1, 2 and 3. I acknowledge that if I travel to these countries, neither the U.S. government nor Colby College can assist me in the case of an emergency.
- I am responsible for all travel arrangements, including passport and visas.
- I am aware that Colby College reserves the right to rescind approval of my Experience should the situation in the region change prior to departure.
- “Travel Risks” include, but are not limited to, delays in transportation, changes in the means of transportation, weather, vehicle accidents, strikes, wars, natural disasters, pickpockets, official corruption, or other unforeseen causes or unfortunate outcomes involving travel.
- Certain Travel Risks are involved in going to, from and within foreign countries and off-campus destinations. Many of these risks are not present on the Colby campus.
- Information on specific Travel Risks relating to this Experience have been made available to me, and I understand them.
- I accept full responsibility for covering any loss or damage caused by a Travel Risk, whether through personal insurance, personal funds, or other personal sources.
- If I elect to operate or to travel as a passenger in a vehicle that I have hired or chartered, I understand my own qualifications or that of the driver. Determination of the sufficiency of insurance coverage for the vehicle and driver are my responsibility. Colby discourages owning a vehicle while abroad.
- If I become detached from any associated groups, fail to meet a scheduled departure, or become ill or injured, I will bear all responsibility and costs to seek out, contact, and reach the group at its next available destination.

General Health and Medical:

- “Biomedical Hazards” include, but are not limited to, infectious, tropical, parasitic and other diseases, viruses or bacteria; contaminated water or food; and insect, spider, snake, fish or animal bites.
- I may visit areas where certain Biomedical Hazards are present that are not commonly encountered on the Colby campus; these may be definite and significant risks in certain countries and destinations.
- Colby cannot recommend precautions against Biomedical Hazards appropriate for each individual. Students should consult with a physician or licensed practitioner if they have concerns.
- Prior to participation in the Experience, I will consult with a health care practitioner of my choice in order to become familiar with Biomedical Hazards that may be encountered in the Experience destination(s), and to obtain the appropriate means of medical prevention or mitigation.
- I have obtained all inoculations and other preventative care required or recommended by my health care practitioner.
- I am aware of my personal medical needs. I further recognize that adjusting to life in a new culture, which often involves changes in diet and/or climate and being away from the support systems I currently have, can be a stressful and emotionally challenging experience and that underlying health-related concerns, including those which may be under control at home, may be exacerbated by these stresses. Having consulted with appropriate family members and/or practitioners who are

familiar with my health history, I assure Colby that I have fully considered my readiness to participate in the Experience and that there are no health-related reasons, physical or psychological impairments that, in the exercise of reasonable care, would preclude or restrict my participation in the Experience, or would put me or others in danger by my participation.

- I have completed or will complete—honestly, accurately and fully—any required predeparture health forms.
- Water and food sources in off-campus locations may be contaminated.
- Building, vehicle, and other safety standards at Experience destinations may be less stringent than those at home. Providers of food, water, shelter and transportation are not agents of, nor represented by, Colby.
- I will exercise reasonable and/or recommended precautions with respect to food, drink, personal hygiene, personal conduct, and exposure to known disease risk factors (including sexual contact and behavior and alcohol use). I further agree to follow any health guidelines provided to me during the Experience.
- I am aware of the coverages and limits of the health insurance plan that applies to me. I have arranged for whatever insurance I consider adequate to meet any and all needs for payment of medical care while off-campus.
- I grant Colby full authority to take whatever action it feels is warranted under the circumstances regarding my physical and mental health and safety, including placing me, at my own expense, in a hospital at any point for medical services and treatment, or if no hospital is available, to place me in the hands of a local health care provider for treatment. Colby is further authorized to return me to the United States or to another country for medical treatment if necessary.
- I assume all risk for the cost of my medical care, including transportation and hospitalization, while in, or in transit to or from, the Experience.

Coronavirus/COVID-19:

- The novel coronavirus, COVID-19, is a highly infectious disease. Its highly contagious nature means that contact with others, or time spent with individuals who have been exposed to the virus, especially in enclosed areas, can lead to infection. Additionally, individuals who may have been infected with COVID-19 may be asymptomatic, or may never become symptomatic at all, but can still transmit the virus. Because of its highly contagious and sometimes “hidden” nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how someone may have been exposed to the disease.
- I acknowledge that I have reviewed all U.S. Centers for Disease Control and Prevention (CDC) and Department of State travel warnings, including all of those warnings applicable to my plans, and fully acknowledge the risks and hazards involved in traveling during the coronavirus/COVID-19 pandemic.
- I acknowledge that based on my decision to travel, I may be at increased risk of contracting COVID-19 and I may be subject to a quarantine, whether abroad or when I return home, including any return to Colby College.
- I acknowledge that my access to medical care while traveling may be limited.
- I acknowledge that my ability to return to the United States, Colby College or Colby College housing, or my home country may be restricted in the event I need to stop my travels.
- I acknowledge that Colby College may not be able to assist me in getting home at a subsequent time, particularly including, but not limited to, if borders are closed or if I contract COVID-19.
- I acknowledge that it is my responsibility to continue to stay informed of relevant updates from the CDC and Department of State as well as U.S. officials and those in the country in which I am located; and that I will need to develop my own plan for my safety, including circumstances in which travel may subsequently be restricted.

- I also acknowledge that given the unknown nature of COVID-19, it is not possible to fully list each and every risk of contracting COVID-19, or guarantee safety from infection. I assume full responsibility for any and all risks of illness or injury associated with exposure to COVID-19. Colby will not reimburse me for medical care resulting from COVID-19 infection, including any out-of-pocket medical expenses not covered by insurance, such as deductibles or co-pays.

Communications:

- I will notify Colby College in case of any change in plans at any point.
- I will receive important registration and housing information and other reminders at my colby.edu email address.
- My first step in case of an Experience-related, health-related, or personal concern or emergency, is to inform my Experience director/local Experience contact or supervisor. I will also allow this individual(s) to inform Colby College.
- I authorize Colby's Colby College to discuss my academic or health issues with my Experience supervisor or host institution.
- I authorize Colby's Colby College office to share my name and Experience information with other Colby students for the purpose of contact, mutual support, information or advice before, during, and after off-campus study.
