STIPULATIONS

The following also apply:

- All courses not listed or cross-listed ST- in the catalogue must be from the approved courses list to count for STS credit.
- Courses taken abroad require the approval of the STS Chair. No more than **2** courses for a semester abroad or **4** courses for a year abroad may be counted toward the major.
- No more than **2** 100-level courses beyond ST112 may be counted toward the major.
- Students with at least a 3.5 GPA in the major and at least a 3.25 GPA overall may request permission to undertake an honors thesis. Those eligible and interested should inquire in their junior year and secure a thesis advisor from among the faculty by the start of summer before senior year.
